Alex,

As promised, I have reviewed my txt messages and Rogers cell phone bill.

The call I received on the Wednesday from the city I referred to in my interview that I wanted to fact-check was from Steve Kanellakos City Manager [REDACTED] 87. You will see a text message from 11:11 am MT below where he asks for a call and then you will see on my phone records an 8 minute call with his cell number starting at 13:42 local time.

My recollection is that it was a very solemn call where he advised that we are not going to be able to move any more trucks out because the new police chief and the Federal Government were against it and were stopping any more trucks from moving. We both shared our disappointment because we saw the progress being made for a peaceful resolution for the benefit of the downtown residents.

(Please don't publish my cell number or Steve's or my Rogers account number. I get enough hate mail already.)

Thanks.

Keith
